

FINE DOODLES PRINTS - Want to share your Fine Doodle with others? Buy a print!

WHAT WE OFFER: We offer three different kinds of reproductions of your original Fine Doodle: quality paper prints, giclee prints on canvas, and giclee prints on mounted canvas (not available in Small). Mounted canvas is wrapped around a wooden stretcher frame that is 1" thick.

In the pricing chart below, you will find the price for each size and type of print as well as the reduced cost of additional prints. Ordering multiple prints of the same size and type will save you money!

SHIPPING: Shipping is \$6 per order for Small*, Medium, Large, and Gigantic canvas or paper prints. Shipping is \$13 per order for mounted canvas of any size. These shipping prices are a flat fee per order, regardless of quantity. Every order will be shipped directly to you from our print service provider.

BILLING: Let us know what you'd like to order by phone (801-609-8789) or email (contact@finedoodles.com), and we will bill you via an emailed Google Checkout invoice.

PRICING:

Size	Canvas	Additional	Mounted Canvas	Additional	Paper	Additional

Medium	\$21	\$14	\$50	\$30	\$15	\$10
Large**	\$35	\$25	\$75	\$42	\$30	\$20
Gigantic**	\$75	\$50	\$125	\$70	\$60	\$40

* In order to maintain a reasonable price, Small prints must be sold in groups of two. They will be shipped directly to you on one sheet of canvas or paper, requiring you to cut the prints yourself.

** Special accommodations must be made for Large and Gigantic prints. Because of this, we require notice of intent to buy a Large or Gigantic print before the original Fine Doodle is shipped to you. Smalls and Mediums, on the other hand, may be ordered days, months, or years after the purchase of the original Fine Doodle.

DIY: As always, you are welcome to scan and reproduce your own Fine Doodle for non-commercial purposes.
